

Kendallville Heritage Association Meeting Minutes

The regular meeting of the Kendallville Heritage Association met June 28, 2021.

Amanda has set up a paypal account so it is convenient to receive membership dues and to receive donations.

Amanda presented the fundraiser letter for review. After discussion a couple revisions will be made. We will add our non profit status to the letter and add the paypal information to the membership form which will be on the back of the letter. The next meeting will be a working meeting to address and stuff envelopes to mail letters.

Amanda has started the newsletter and will continue to finish up the final pages. Annie offered to help if needed.

Next meeting will be July 26, 2021 at 6p.m. at the Community Learning Center Board Room.

Meeting was adjourned

Respectfully submitted,
Becky Daniels, Secretary
