

Kendallville Heritage Association Meeting Minutes

The regular meeting of the Kendallville Heritage Association met March 22, 2021.

Becky presented the membership report. Membership cards have been designed using the new logo. These will be given out at the monthly meeting as dues are paid. Or sent out by mail if a member attends via Zoom.

Names have been submitted to Amanda to seek sponsorships. Next month we will work on finalizing the letter to send. Julie has a draft letter for use. Jill has additional names and addresses. Becky will pick up stamps and envelopes. Sponsorship levels were designated as:

Freshe - \$1,000 and up

McCray - \$500 and up

Mitchell - \$250 and up

Dingman Bearss - \$100 and up

We will recognize sponsors in the newsletter, on the Facebook page and on the website.

Let Amanda know if you have submissions for the newsletter.

Terry mentioned that Trevor Tipton gave a good presentation on Early Native Americans. We should add this to the timeline.

It was discussed to plan a program for a presentation, meal or cards that will let people know who we are as we re-invent ourselves.

Amanda reported that she is going through old directories for the Cochard book information. Oak Street and Miner Street are finished. We need someone to knock on doors to get missing or new information. We will probably organize by address instead of by age. Possibly add a map for reference.

Next meeting will be April 26, 2021 at 6p.m. at the Community Learning Center Board Room.

Meeting was adjourned

Respectfully submitted,
Becky Daniels, Secretary
