

## **Kendallville Heritage Association Meeting Minutes**

**Present:** Amanda Blackman, Julia Tipton, Terry Housholder, Cindy Wilkes, LouAnne Pillers, Sande Roose and Becky Daniels

---

The regular meeting of the Kendallville Heritage Association met November 16, 2020 at the Community Learning Center.

Julia gave a grant update. The grant committee submitted a grant on November 2 for \$10,000 for the curator from Saint Frances. It would also help with displays. We should know by March if we are given the grant. That is when their next cycle begins. It was mentioned on the grant app that we have not been able to fundraise due to covid. LouAnne suggested we should all focus on what we want the displays in the main hallway and the community room to look like.

Amanda reported on the field trip to Saint Frances. They were shown a variety of ways they could create displays for us. They can color coordinate and/or have themes. Any proposed displays will need to have approval by the CLC Board. We may want a variety of displays that can be changed out. We probably won't need to have a committee for this since most people will want to help with the project. We may want to visit other museums for ideas. Maybe take a couple field trips once the number of people infected by covid are not so high.

For researching, maybe search by decades. As everyone is researching, please remember to pull out interesting facts. Amanda will set up google docs for everyone to use and share their information. Terry will come up with ideas for a timeline and email to Amanda and Becky.

Next meeting will be January 18, 2021 at the Community Learning Center Board Room.

**Meeting was adjourned**

Respectfully submitted,  
Becky Daniels, Secretary
